

The Big Quiz.net

Make learning more engaging!

A digital tool for interactive quizzes that engage students and support teachers' work.

What is TheBigQuiz?

TheBigQuiz is a platform for teachers who want to create interactive and engaging learning experiences. The platform is designed to promote collaboration, learning, and insights in the classroom.

For Whom?

Teachers who want a flexible tool for teaching.

School leaders who see the value in cost-effective digital solutions that engage students and offer great value for money.

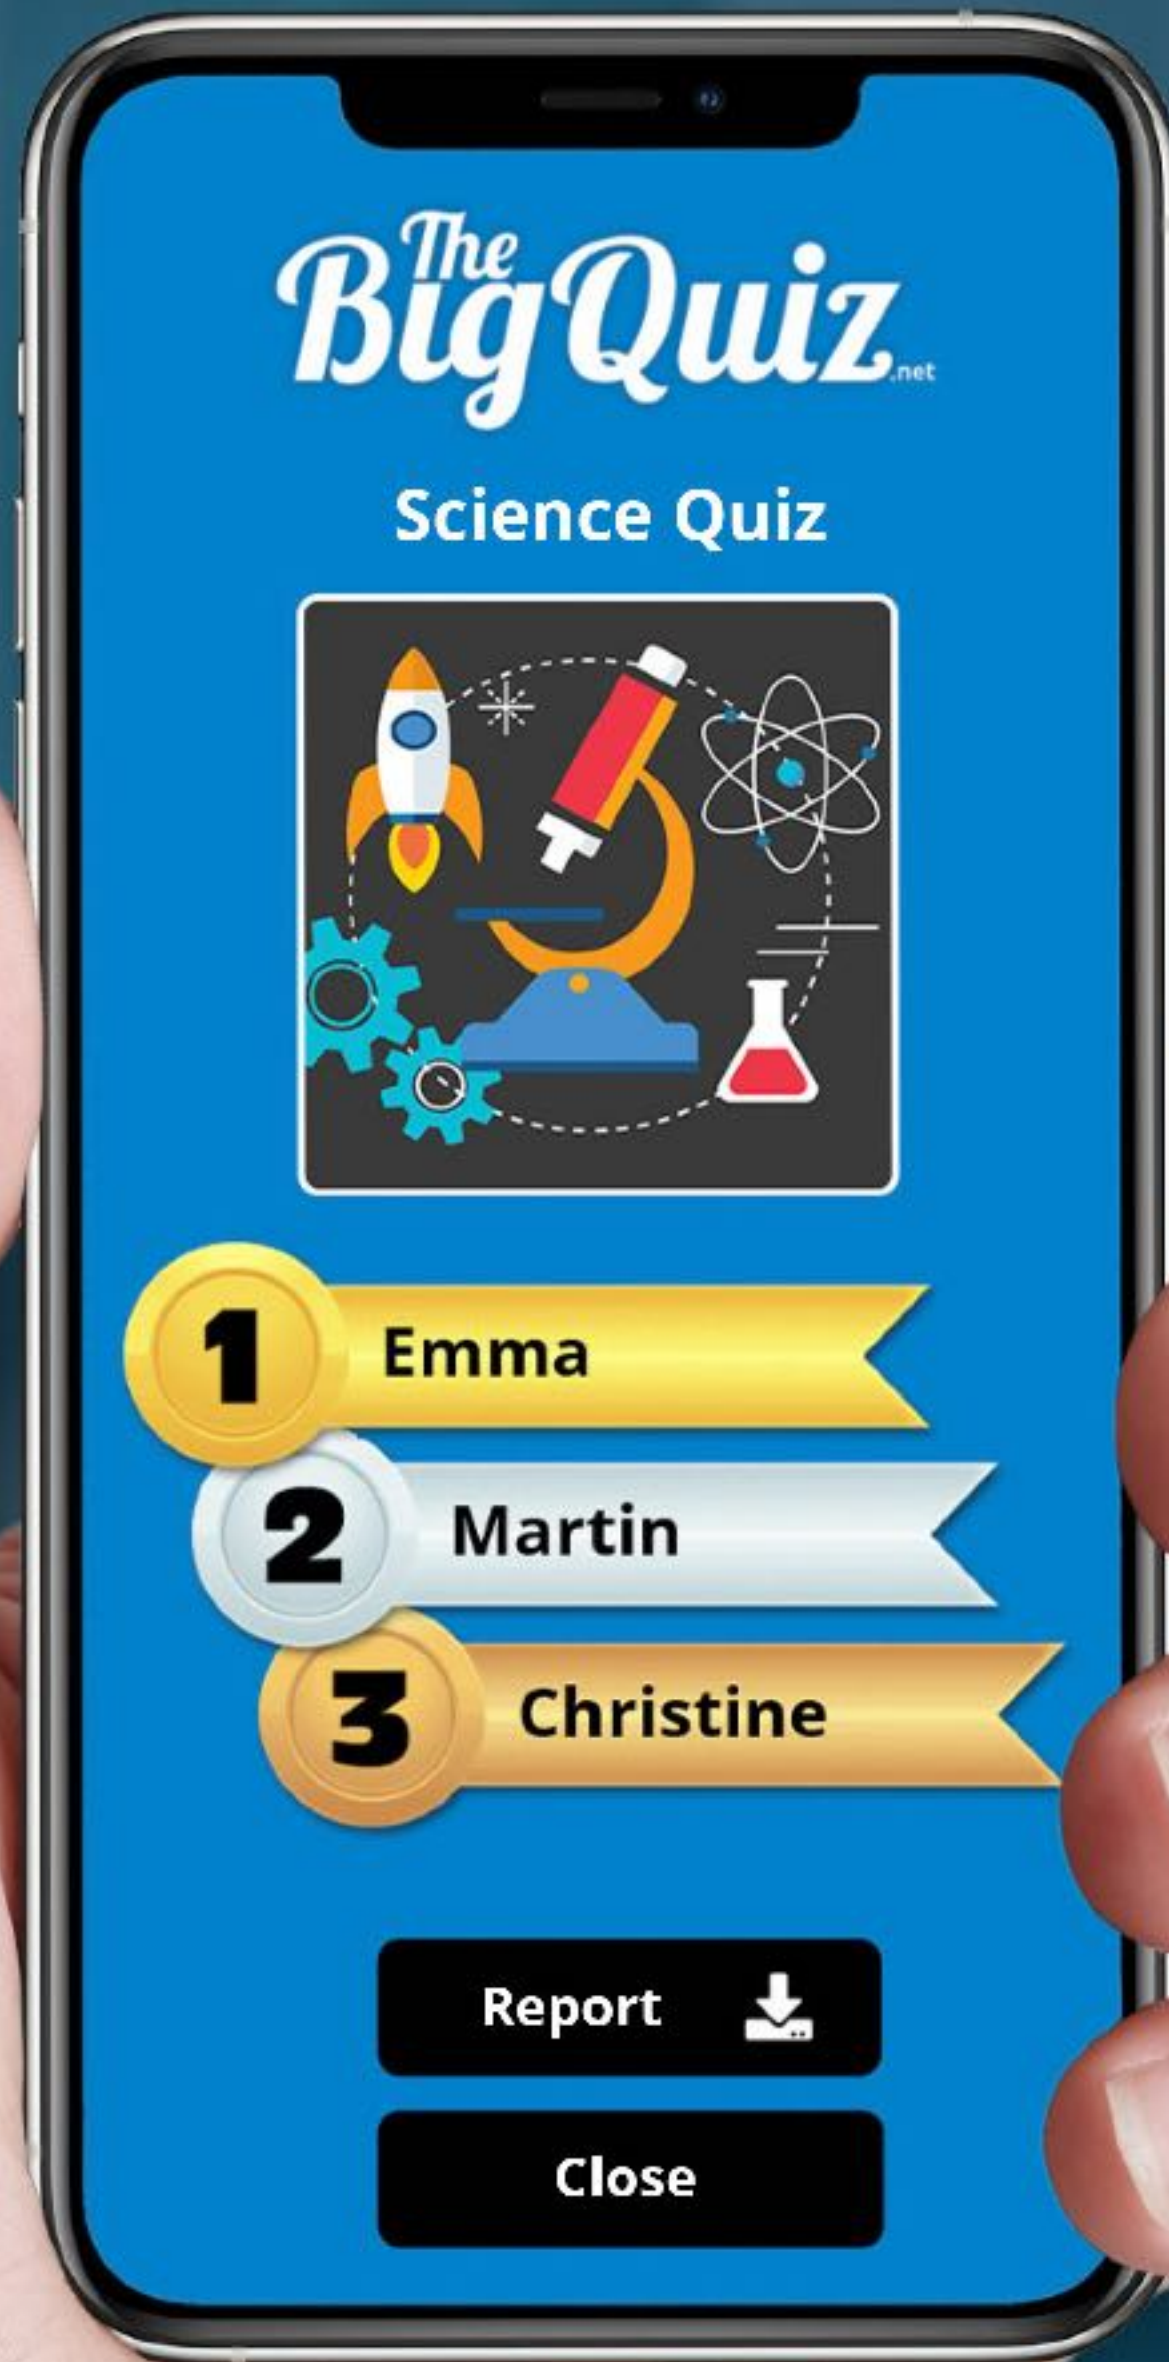

Students who benefit from interactive and fun learning experiences.

Engaging Learning

Create quizzes that inspire and motivate students.

Play live with your class and receive instant feedback.

Work together with colleagues to create and share quizzes.

Analyze student performance and visualize data with detailed reports.

Super Simple and Powerful Quiz Tool

Create quizzes in minutes without the need for technical knowledge

Multiple question types

True/false, hotspot, music, images, video, word tasks, and more.

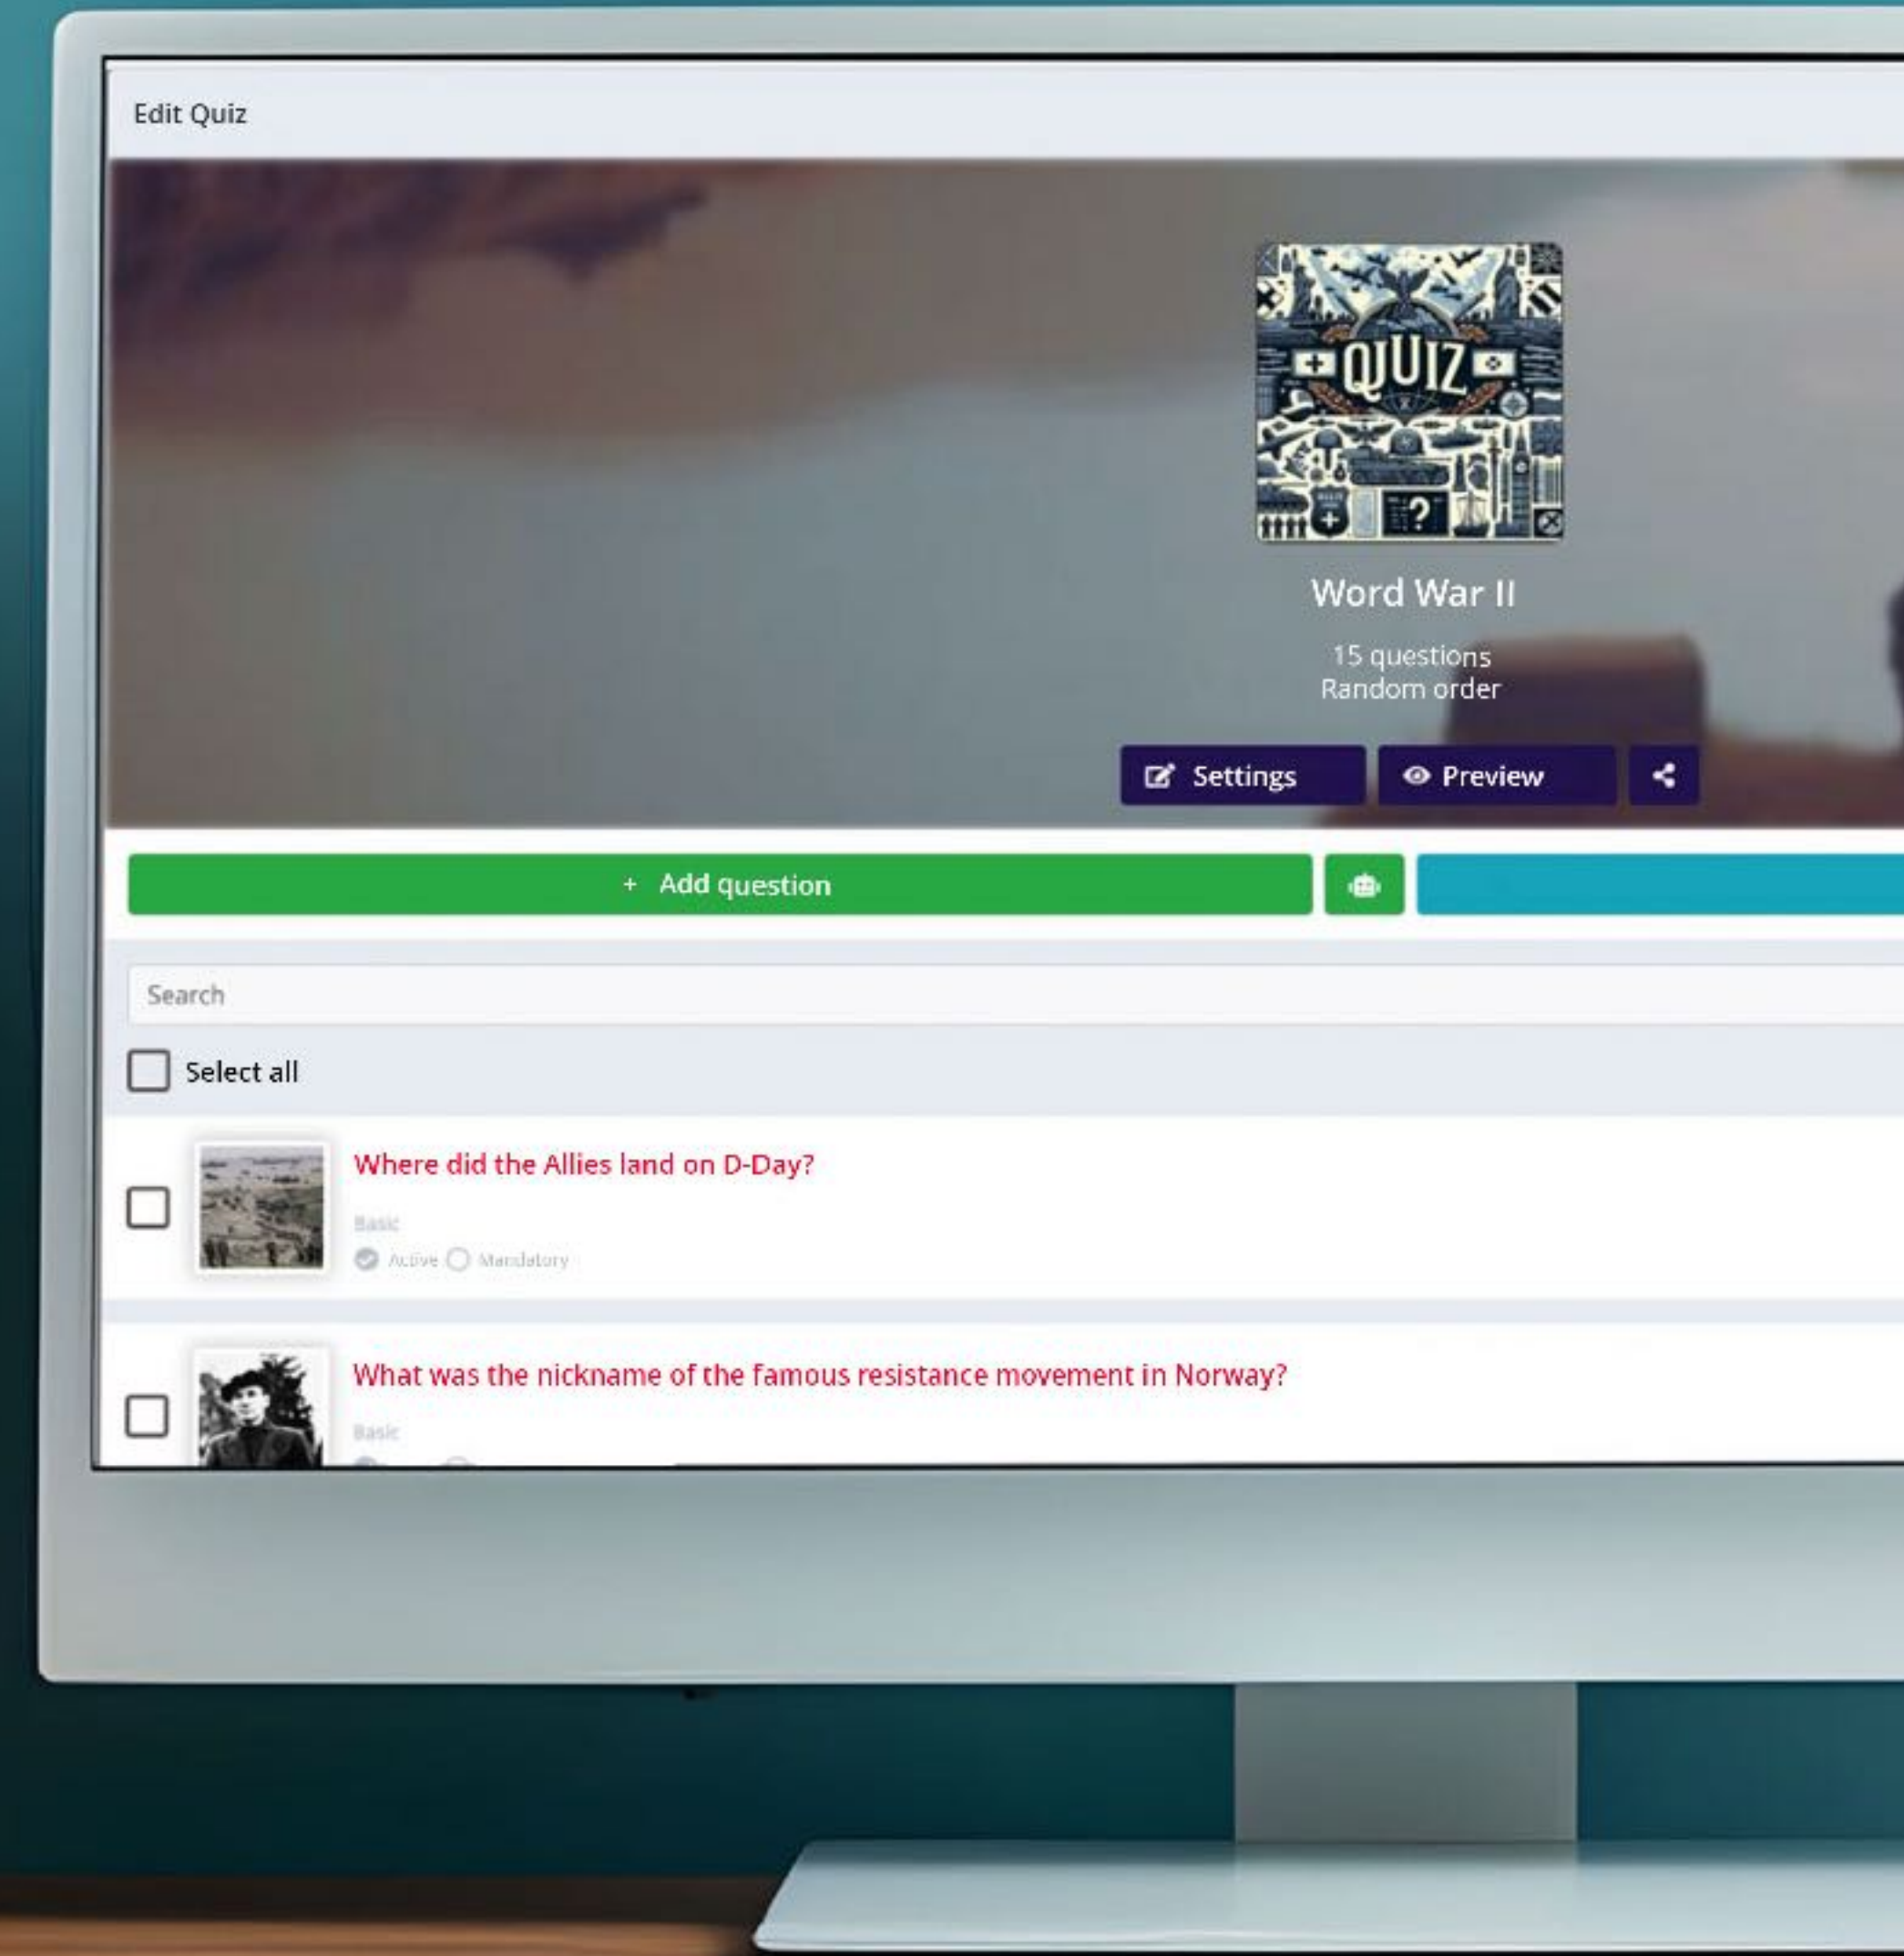

Live Play

Create competition and excitement with real-time results.

Individual Play

Invite players to individual games and collect answers in reports.

Live Team Play

Let students play together in teams with a shared score – a fun way to strengthen collaboration and engagement in the classroom!

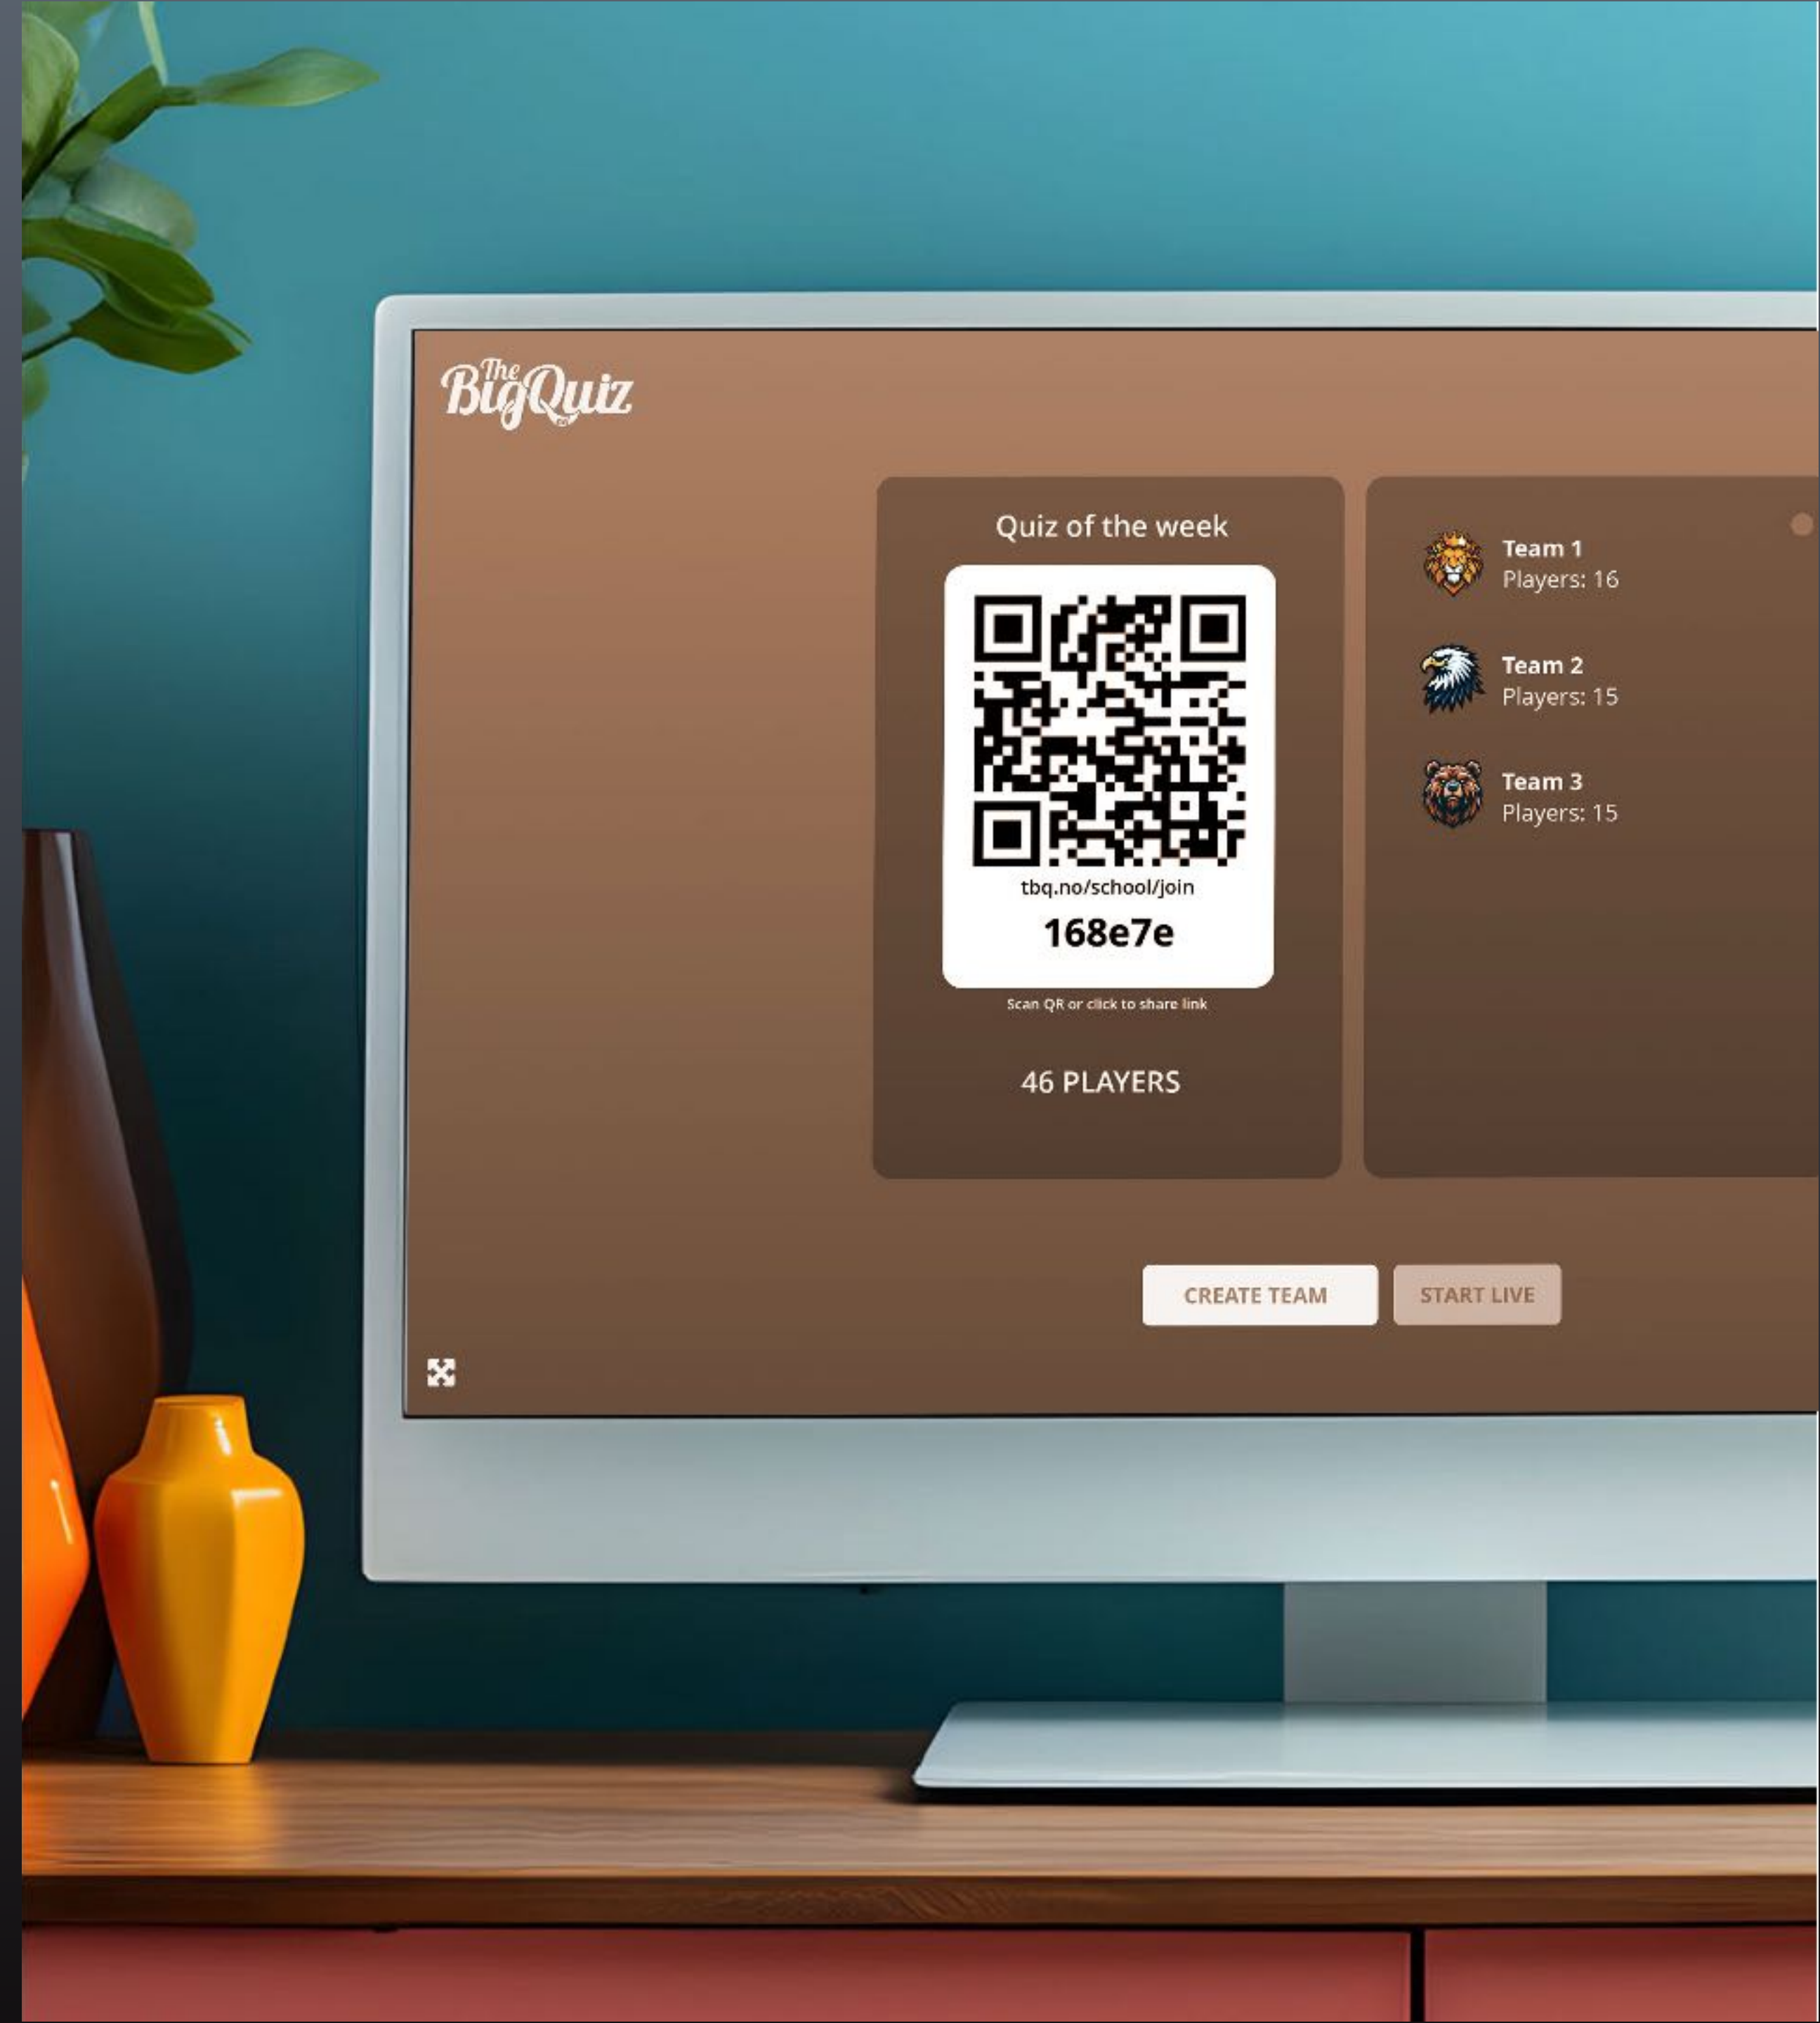

Reports

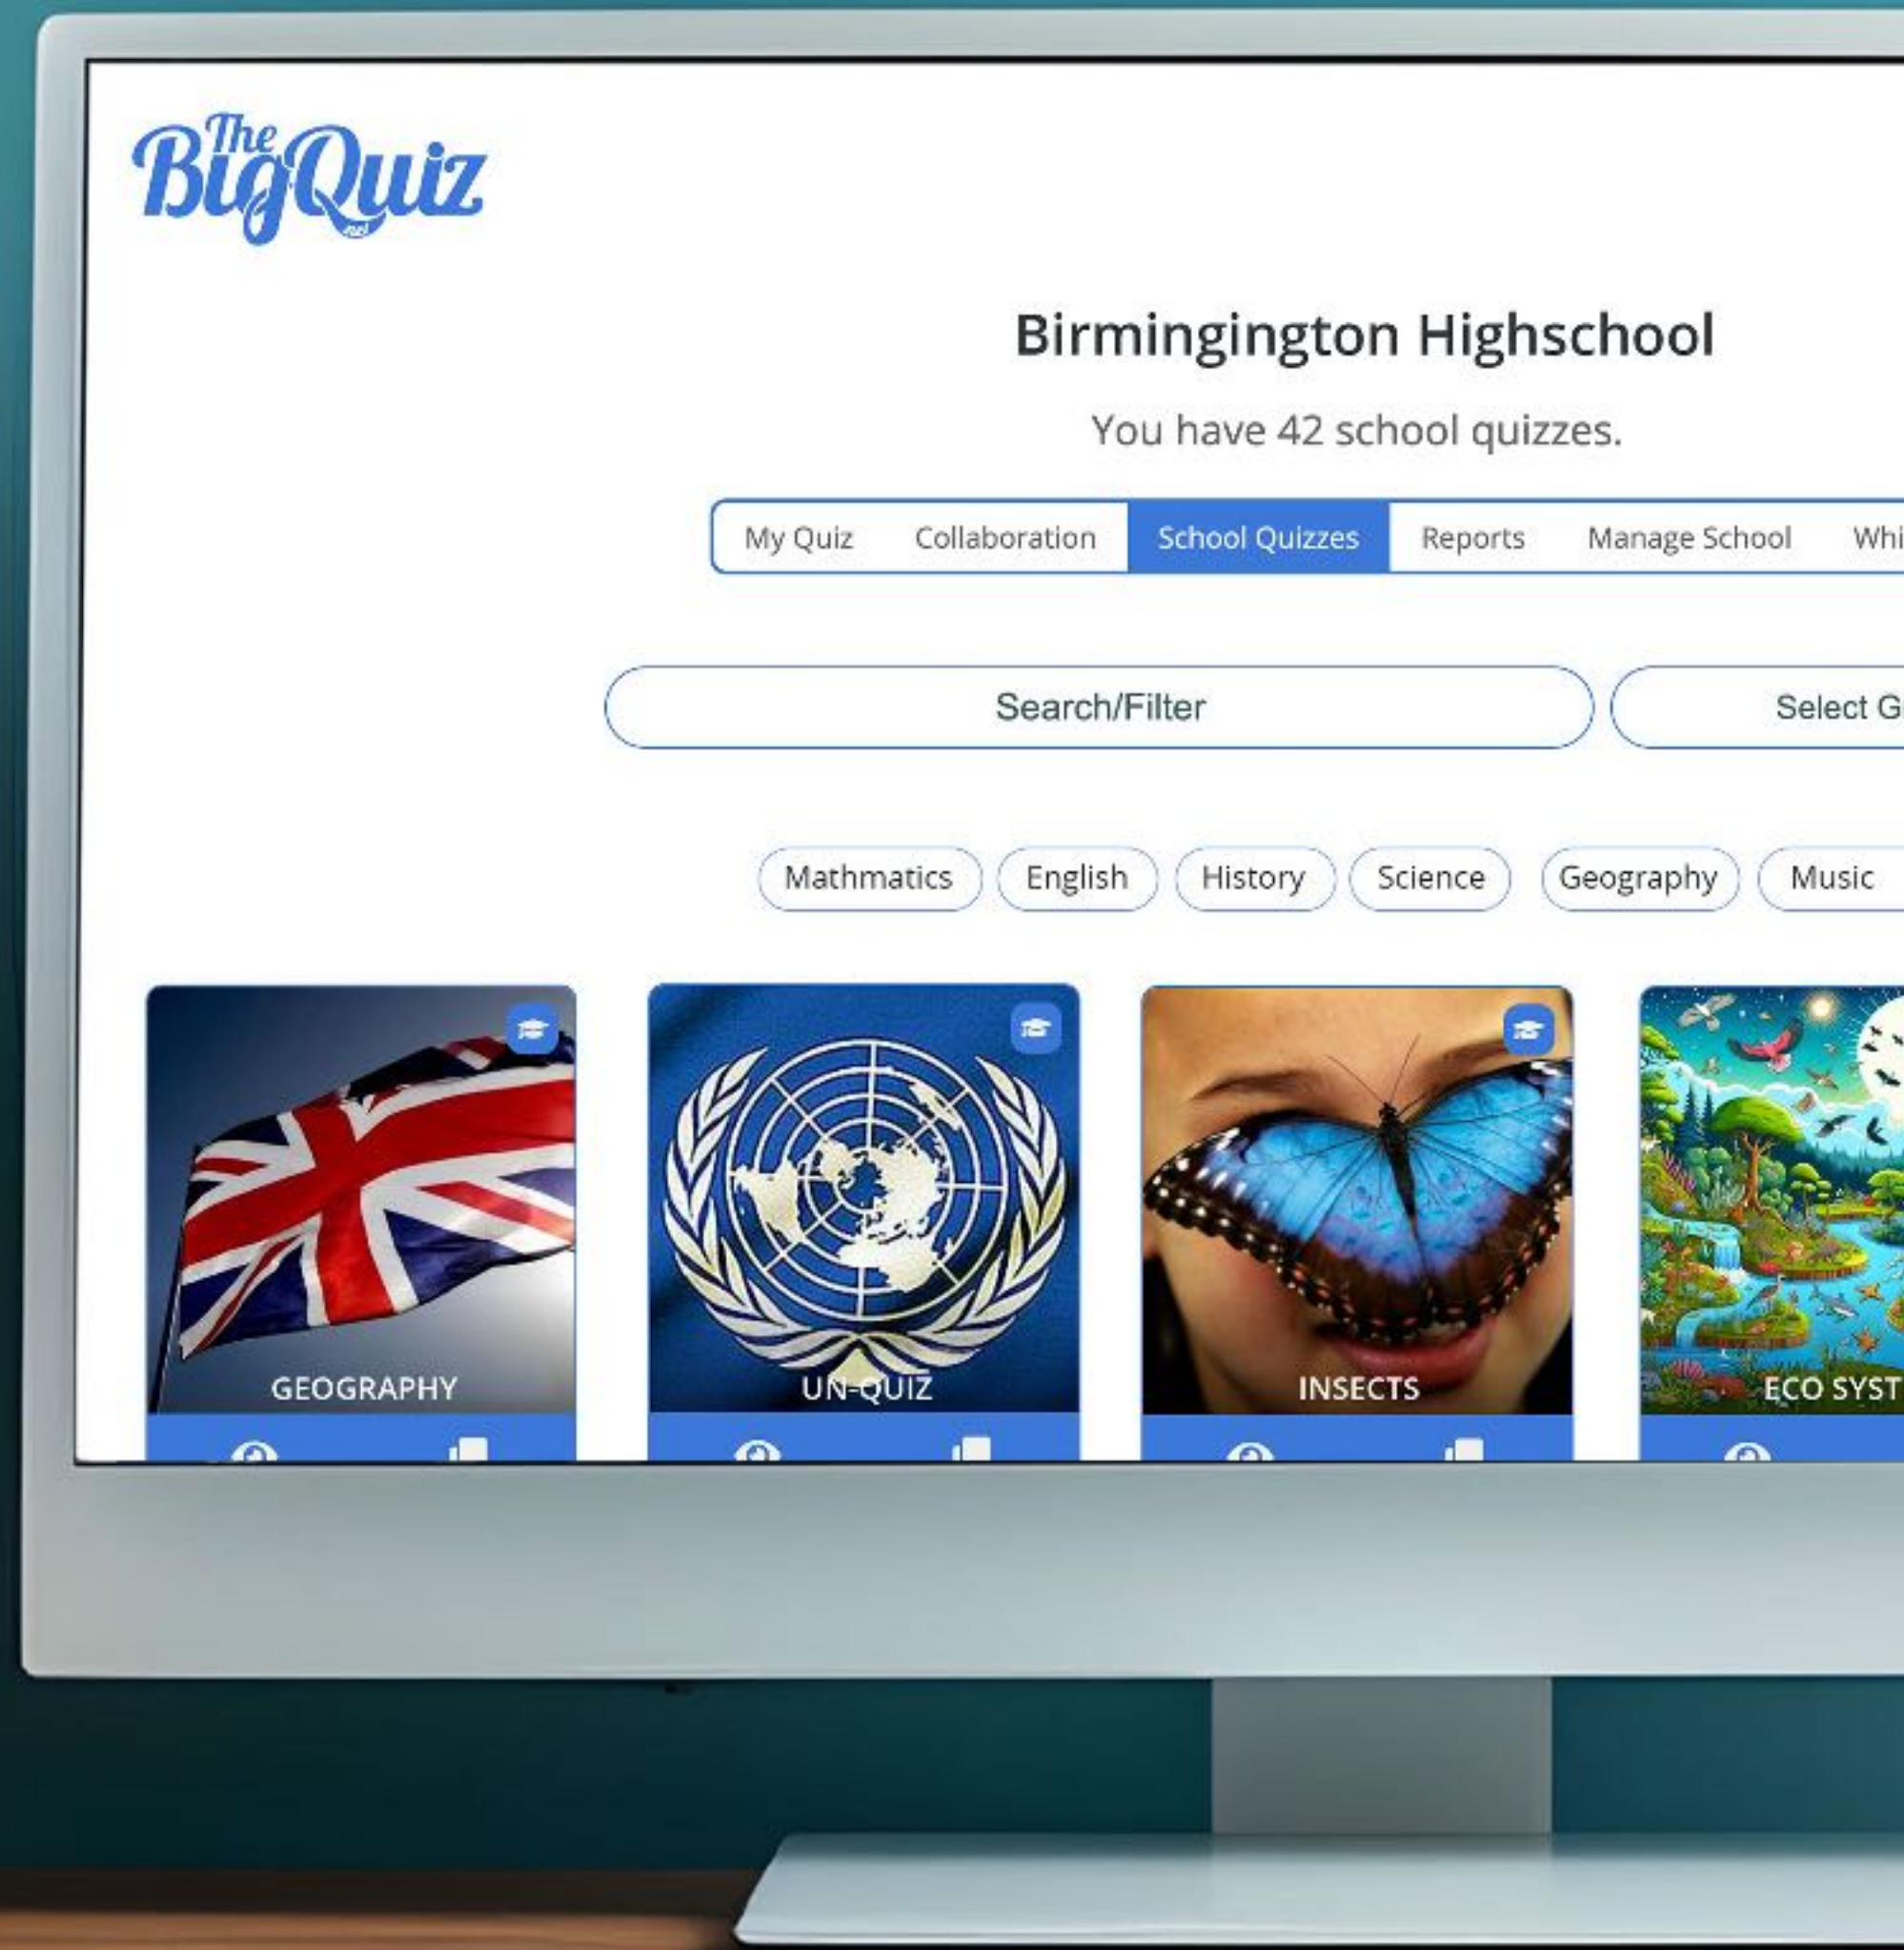

Download detailed reports from both live and regular games.

Live leaderboards

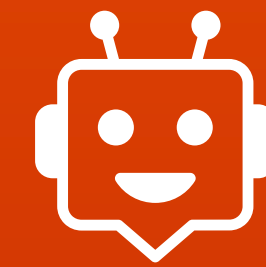

Create live leaderboards that can be displayed on a shared screen or via a link – perfect for ongoing quiz competitions.

School Library

Choose ready-made quizzes from our library or share quizzes with colleagues to build a shared resource base.

AI Assistance

Automatically generate quiz questions based on topics or documents.

Customization Options

Personalize your quiz with colors, images, and themes to make it more visual and engaging.

GDPR Compliancy:

Data is stored in Norway and complies with GDPR.
